## Dog Walking

Happy Paws wants to help those professionals who work long hours and worry about their pets at home alone. Worry no more! you will see the difference in your dog(s) behavior. They will be happy to see you but without the pent up energy and anxiety of being alone so many hours.

Walks, appropriate for your pet's individual needs, are taken at: local parks, surrounding beaches and boardwalks, depending on the owner's preference. These sessions stress fitness, reinforce obedience, socialization, and enjoyment of the outdoors.

If medication is needed, as well as feeding, it is given within the session I have with your pet(s).

**A LOVED PET IS A HAPPY ONE!**
